

PIABC LEVEL 5 DIPLOMA IN PACKAGING TECHNOLOGY PROJECT PLAN

To ensure that the candidate's project is suitable for the PIABC Level 5 Diploma in Packaging Technology (QN: 610/0740/7) qualification; the project's title, aims and objectives and scope need to be approved by both the centre and PIABC. The candidate needs to complete this template so that the centre and PIABC Limited can ensure that the candidate's project meets the requirements of the qualification.

CANDIDATE DETAILS
